**EzTrack Log Tips**

- Please submit a log for each day that you work, you may log every day or up to one month. You will not be able to log commutes over a month late or in advance.
- Click "Enter Log" on the day you wish to report. The information you provided in your commute profile will automatically fill the log, or you can make edits as needed. When you're done, click "Save Log."
- If you do not work on weekends, you do not need to log your commute.
- If you work 4/10 hour days and have one day off each workweek - log that day as a "Compressed Work Week Day Off."
- Each clean commute that you log enters you into a monthly drawing for \$25 prizes and other rewards. The more you clean commute - the better your chances of winning!
