

## Developer and University Partnerships

**Andrea Rosser**

*StarMetro, Transit Planning Manager  
Tallahassee, Florida*

## Take-Aways

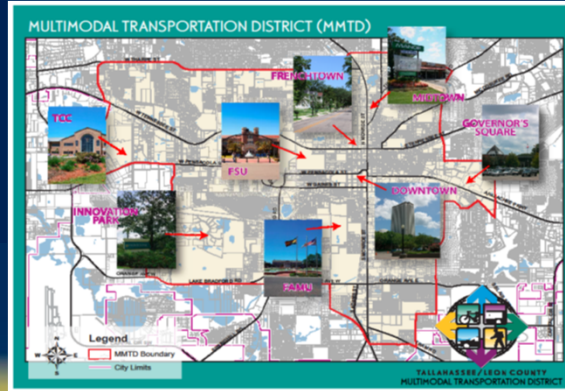

1. The MMTD and Transit
2. University Partnerships
3. Building Cities for People

## The MMTD and Transit

“Draw a line around the city, keep development inside that line, and the city will be more livable.”

Hal Harvey

## Development within the MMTD

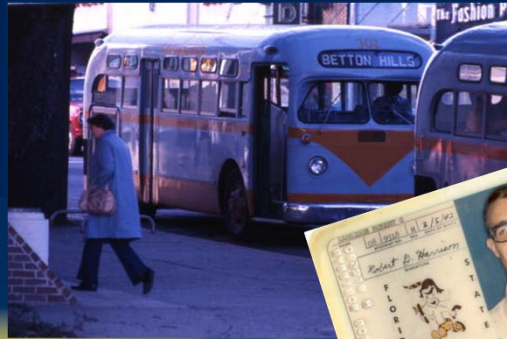

- Developers now work with StarMetro to ensure transit amenities are considered.

## StarMetro and FSU Partnership

1970 – TalTran created “fare free” zones for students to ride the bus with their student ID cards

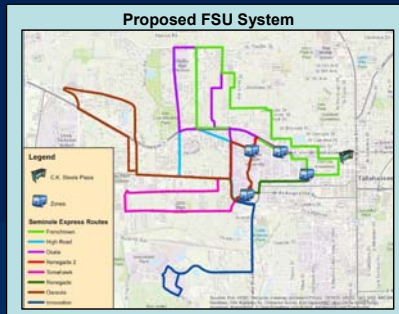

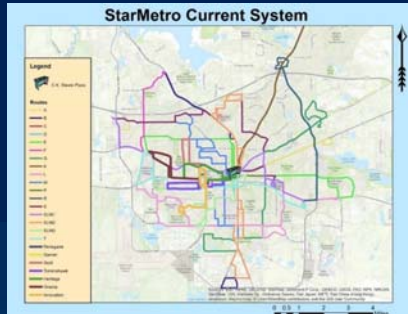

## StarMetro and FSU Partnership

2008 – Seminole Express routes go off campus to serve students, fixed route and campus systems are segregated.

## StarMetro and FSU Partnership

2018 – StarMetro and FSU are working to better serve the community by integrating fixed route and campus service.

## Building Cities for People

- If you build it, they will come.

## Building Cities for People

- If you build it, they will come.

## Building Cities for People

- If you build it, they will come.

The question I pose to you is...

What is your vision of  
Mobility in Tallahassee?

Thank you
